

BEERS & MIXED DRINKS

THE BOILERMAKER

Barbecoa Single Barrel Bourbon
& Freedom Draft Beer

£10

"The steel mills are all gone but Boilermakers are still served at every local in the area.

The Boilermaker is a drink that cuts right through the heat, dirt and dust of the steel mills. It was a way to get your energy fast and replace your fluids lost in the heat of day. It was a way to forget how hard you worked, and how hard you will work the next day, and the day after that... You stopped every day with the guys you worked with and had a Boilermaker with the boys. We ate, drank, worked, cried and loved together. The Boilermaker was the cement that held us all together."

Vince Orend - Pennsylvania Steelworker
